1. Class/Seminar Teacher Evaluation

This survey requests your feedback on two separate aspects of your learning experience, split into three sections. The first section asks for your views on your teacher's class/seminar teaching. The second section (overleaf) asks for your views on the course as a whole *at this point in time*. Finally, the third section asks for some information about you, to aid analysis.

Your responses will be used to identify areas of good practice. They will also be used to help improve the teaching and learning experience for you and your peers. Please complete the survey thoughtfully and constructively, marking one box for each question unless indicated otherwise.

Please rate your class/seminar teacher on the points below using the following scale: (1 – very good, 2 – good, 3 – average, 4 – poor, 5 – very poor, not applicable)

1.10) Please write below aspects of this teacher's class/seminar teaching that you think could be improved and/or aspects that were particularly helpful.

I think Ahmad is excellent. He explains concepts very clearly and is a great teacher. He has helped to cement the concepts learned in class.
